## PUBLIC NOTICE

---

**To all interested parties:**

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

---

**1. Applicant:** Mr. Don Cree  
City of Kokomo  
100S. Union Street  
Kokomo, IN 46901

**3. Project location:** Section 31, Township 24 North, Range 4 East, Kokomo East U.S.G.S Quad. Map  
From US 31 & Carter approximately 2000 feet east on Carter to the north side of Carter in Kokomo Indiana,  
Howard County

**4. Affected waterbody:** Crystal Street Dam Removal Project

**5. Project Description:** The applicant proposes to remove the Crystal Street Dam (State ID No: 34-6). The dam is approximately 100 feet across (N to S) x 6 feet wide at the base (E to W) x 5 feet in height, is construct on concrete, and has an existing 24 inch flow-through pipe on the south end. Activities are to include tree removal above the bank along the north side of the creek on the Omni Source property, construction of a temporary access path, installation of a type 2 turbidity barrier downstream of the existing dam, breaking up of a 50 feet section out of the center of the dam via hydro-hammer mounted on a track hoe, loading of dam debris into trucks, removal of the dam material from the site, trucking material away for the site to an approved disposal facility, removal of all debris behind turbidity curtain, removal of the turbidity curtain, then reseeding and mulch netting all disturbed areas along bank.

---

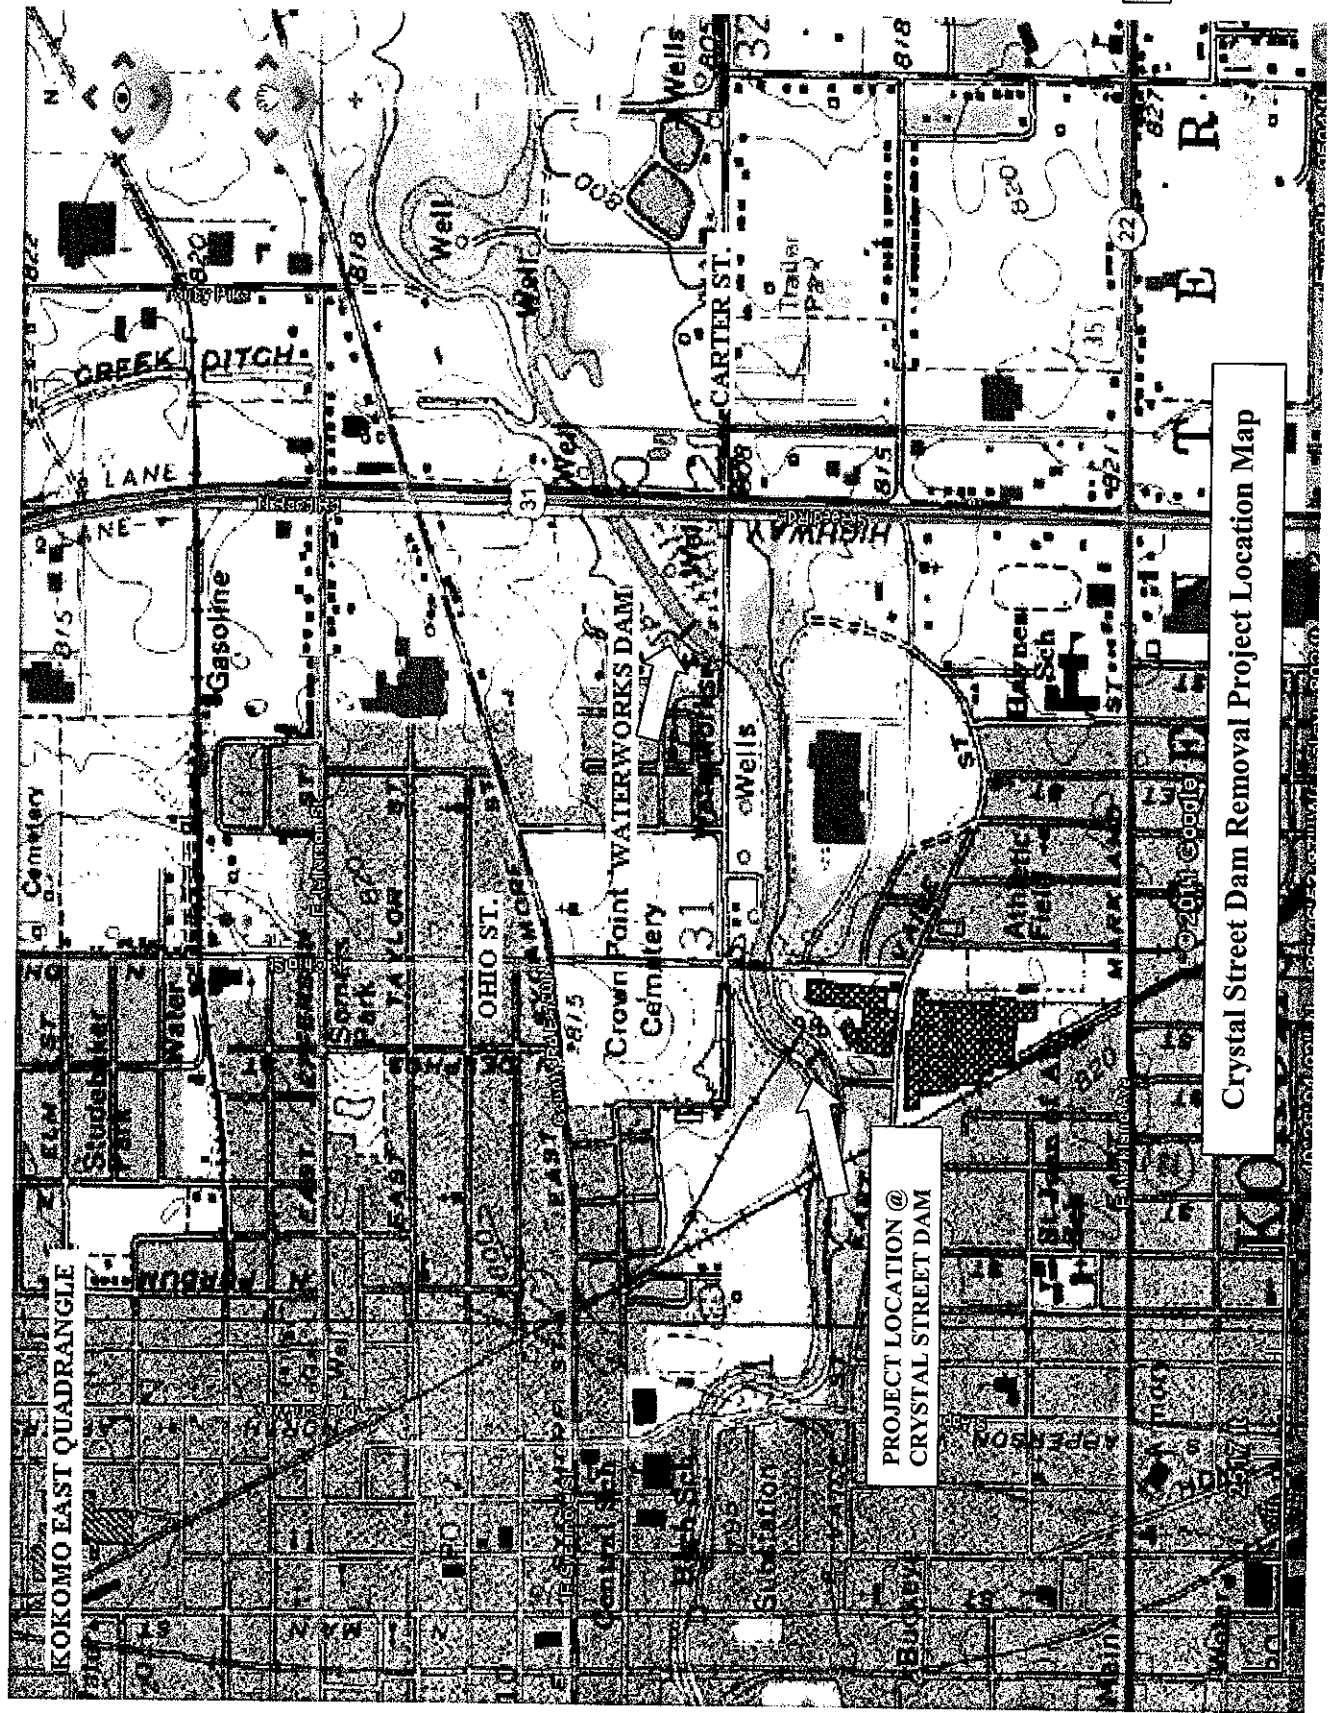

**Comment period:** Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

**Public Hearing:** Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

**Questions?** Additional information may be obtained from Mr. Jared Sanders, Project Manager, at 317-234-6352. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
